A New Home for the Rotherhithe Settlements

Public Consultation, November 2010

The proposals for the Rotherhithe Settlements site will include:

- New community facilities, including youth club, multi-use outdoor games area, gym, children's play area and multi-purpose hall (providing space for health clubs, dance groups, martial arts, sports clubs, children's parties, scout groups and local youth services);
- 28 new homes with a variety of new houses and apartments (with associated car parking), to be managed by Family Mosaic Housing Association;
- Regeneration of public communal green space along Salter Road.
